CAREER OBJECTIVE

Motivated and detail-oriented MCA (AI/ML) student, currently pursuing my master's degree with a strong foundation in programming and problem-solving. As a fresher in the AI Engineering field, I am seeking an entry-level role or internship where I can apply my technical skills, learn industry practices, and contribute to real-world AI-driven projects.

EDUCATION

Chandigarh University, Mohali <i>Master of Computer Application (AI & ML) — Pursuing</i>	2025 – 2027
MCM DAV College, Kangra (HP) <i>Bachelor of Computer Application — 78%</i>	2022 – 2025
KRB Senior Secondary School, Taragarh (Punjab) <i>12th Class — 84%</i>	2022

TECHNICAL SKILLS

Programming Languages: Python, C, C++
Web Technologies: HTML, CSS, JavaScript, React
Backend: Flask
Database: SQL, SQLite
AI & Machine Learning: Machine Learning, Deep Learning, Generative AI, NLP, Scikit-learn, Model Evaluation
Development Tools: VS Code, Git, GitHub
Core Concepts: Data Structures ,OOPs, Problem Solving

ACADEMIC PROJECTS

AI Smart Study Planner Python, Flask, Machine Learning	Feb 2026
- Developed an AI-powered study planner using Python and Flask, integrating ML-based prediction models to generate personalized study schedules from user performance data. - Designed a database-backed system to track user progress and refine recommendations, demonstrating applied machine learning and data-driven decision-making.	
Personal Portfolio Website HTML, CSS, JavaScript https://krishbhardwaj075-source.github.io/My-site/	Nov 2025
- Built and deployed a responsive personal portfolio website to showcase AI/ML projects, technical skills, and coding proficiency to prospective employers. - Implemented a clean, modular front-end architecture ensuring cross-device compatibility and optimized performance.	
AI Career Predictor Python, Machine Learning, Flask	Sep 2025
- Engineered an AI Career Predictor by training a machine learning model on user skill data to recommend suitable career paths. - Deployed the model through a Flask-based web interface, applying data preprocessing and classification techniques to improve prediction accuracy.	

CERTIFICATIONS

- Actively participated in **CodeVista V1.0 Hackathon**, showcasing problem-solving abilities (Apr 2026)

INTERPERSONAL SKILLS

Analytical Thinking | Problem Solving | Team Collaboration | Continuous Learning | Effective Communication
